

It's cool!

Protect yourself from the heat of summer !

Construction / Mining workers..Keep your head cool!

coolbit®

Coolbit Head Wrap V

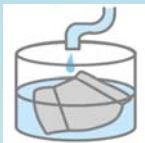

Coolbit Head Wrap

Coolbit Head Cover CXS

Soak in water, squeeze, put it on!

1

Soak flap in iced water for one minute.

2

Squeeze it lightly.

3

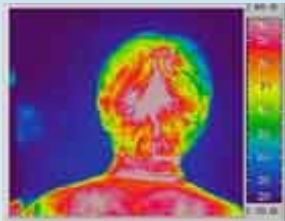

Keep cool by putting it under the helmet.

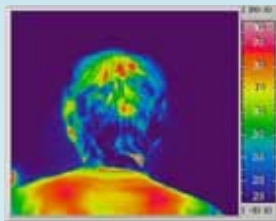

* In the hot summer sun, put it under your helmet. Be comfortable and cool while you work.

* A special fiber keeps the absorbed water, and several hours of cooling is possible by the effective vaporization of heat. It has been tested and used by over 400,000 people in Japan.

10°C improved cooling effect. Feel the difference.

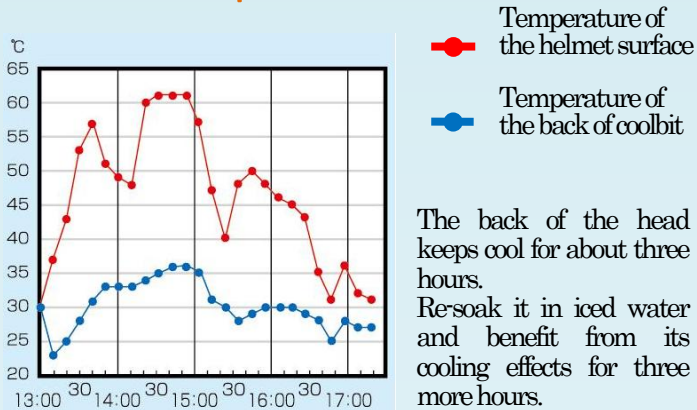

Before usage

After ten minutes

The surface of the helmet can reach extremely high temperatures in summer.

The back of the head keeps cool for about three hours. Re-soak it in iced water and benefit from its cooling effects for three more hours.

coolbit-X Vest

Coolbit X Vest cools the back and the armpit. It can be worn under a work shirt, safety vest or uniform, and the body is instantly cooled and protected from the heat.

It has a double cooling impact through water absorption and frozen inserts to keep you cool

Product No: CBCX-08
Size: M/L

coolbit-T Neck

Coolbit TNeck provides hours of cool relief across your neck and back. In a hot environment this will keep you cool, refreshed and focused.

Reversible

Product No: 7ST-01

Attention all workers!

Cool your head this summer.

Don't let the heat get to you.

It's cool!

coolbit - Head Wrap II

Coolbit Head Wrap II
Product Number: CBB2-GRY/NVY
Material: Polyester and unique water-absorbing fiber
Size: About 260X160X8mm
Weight: 60g

Eliminate direct sunshine and reduce the harsh effects of heat by wearing the cool head wrap under your helmet.

coolbit - Head Wrap V

The net cover lightly protects the hair. The fiber has anti-static, deodorizing, and antibacterial properties.

Coolbit Head Wrap V
Product Number: CBBV-GRY
Material: Water-absorbing polyester fibers
Size: About 260X160X8mm
Weight: 70g

Structure of Coolbit Head Wrap II and V

The special fiber absorbs water several times its own weight and size. It can be washed repeatedly, and be used many times.

Our coolbit cooling system only needs water. It is environmentally friendly and completely safe for human use.
