

STAY COOL

Protect yourself from the heat of summer!

The Cooling Function Wear

coolbit®

coolbit-Cool W Mesh Cap

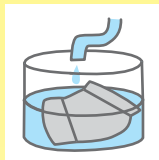

coolbit Head Wrap V
coolbit Head Wrap II

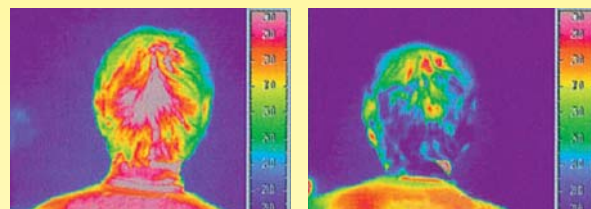

coolbit Ice Pocket Vest

Soak in water, squeeze and put it on!

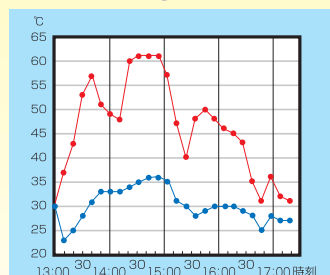

- 1 Soak it in water for 1 minute.
- 2 Squeeze it lightly.
- 3 Keep cool putting it on under the helmet.

**10°C improved cooling effect.
Feel the difference.**

The surface of the helmet can reach extremely high temperatures in summer, but you can keep cooling your head back like blue graph.

- Temperature on helmet surface
- Temperature on the back of coolbit

The back of the head keeps cool for about 3 hours. Re-soak it in iced water and benefit from its cooling effects for 3 more hours.

*In the hot summer sun, keep cooling your head and body. Be comfortable and cool while you work.

*A special fiber keeps the absorbed water, and several hours of cooling is possible through the effective vaporization of heat. Coolbit series have been tested and used by over 500,000 peoples in Japan.

coolbit - Head Cover CXS

Double cooling effect through effective heat vaporization and reflection shade.

coolbit - Cool W Mesh Cap

This cap is cooling the back of the head and designed to be comfortable while working also playing sport.

For workers!

Cool your head and body this summer

Keep cool!

coolbit - Head Wrap II

Cooling mechanism through effective heat vaporization

Eliminates direct sunshine and reduces the harsh effects of heat by wearing the cool head wrap under your helmet.

coolbit Head Wrap II
Product No, CBBII-GRY/NVY
Material : Polyester and unique water absorbing fiber
Size : Free , 54-60cm

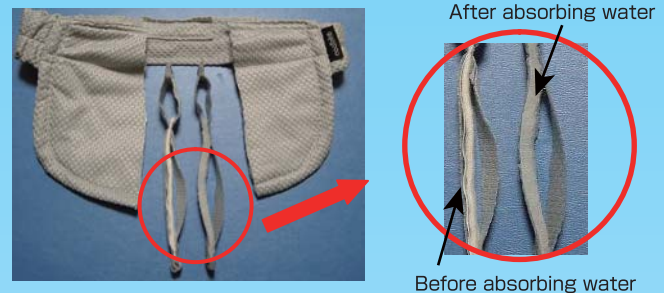

coolbit - Head Wrap V

The net cover lightly protects the hair. The fiber is anti-static and has deodorization and anti-bacterial properties.

coolbit Head Wrap V
Product No, CBBV-GRY
Material : Polyester and unique water absorbing fiber
Size : Free , 54-60cm

Structure of Coolbit Head Wrap II and V

The special fiber absorbs and keep water several times of its own weight. It can be washed repeatedly, and be used many times.

Our coolbit cooling system only needs natural water or ice. It is environmentally friendly and completely safe for human use.
